God's Love We Deliver

Another Pride event was the Midsummer Night Drinks party at the Samuel Parrish house, in Southampton. The 19th edition of this benefit raised money for God's Love We Deliver, which prepares nutritious meals for people with HIV/AIDS and other severe illnesses. In the mix were Margaret Russell, Vicente Wolf, Richard Mishan, and the organization's David Ludwigson. At the end of the party guests received a gift of Chuck's famous brownies, baked by God's Love We Deliver's baker for over 28 years, Chuck the Baker; the night raised \$300,000. Mayor Pete Buttigieg and MAC's John Dempsey will be honored at the organization's not to be missed fall benefit, The Golden Heart Awards, on October 21, in NYC. glwd.org
